Dear NYS Attorney General, Ms. James, NYC Mayor Adams, NYC Police Commissioner Caban and NYC Corporation Counselor Sylvia Hinds-Radix:

I have attached a summary of exhibits showing the deadly use of the attached advertised criminal Boyden Gray PLLC Discriminatory Driver License Suspension Scheme Program for police impostures, misconduct, and the criminal use of such to false arrest, body snatch and kidnap for Boyden Gray's PLLC law front's continued induced institutionalization for label dead, while alive, human sacrifice satanic ritual killings. The above noted links illustrate their body broker database where they keep track of their human sacrifice satanic ritual killings.

The Boyden Gray PLLC law front eugenicists are using this name aligned, unconstitutional, driver license suspension program for premeditated murder of healthy and good-standing drivers and police, and such is being done under the guise of schemes. See the advertisement below. THEY ARE USING THIS DISCRIMINATORY DRIVER LICENSE SUSPENSION PROGRAM TO KILL AND CRIMINALLY SET UP HEALTHY NEW YORKERS TO BE TERRORIZED BY POLICE WITH NO PROBABLE CAUSE POLICE STOPS, PITTED FOR FALSE ARREST, INDUCED HOSPITALIZATION OR INSTITUTIONALIZATION, TO BE LABEL DEAD, WHILE ALIVE, TO BECOME BOYDEN GRAY PLLC LAW FRONT'S HUMAN SACRIFICE SATANIC RITUAL KILLINGS. PLEASE SEE THE ATTACHMENTS SHOWING BOYDEN GRAY PLLC LAW FRONT'S, NAME ALIGNED, LARGE SCALE, COUNTERFEIT LAW MAKING FOR FALSE ARREST AND INDUCED INJURIES, FOR REPEATED, LABELED DEAD, WHILE ALIVE HUMAN SACRIFICES AND SATANIC RITUAL KILLINGS.

For the last over 10 years, I have been inflicted with these deadly discriminatory driver license seizures and the use of such for the attempted murder of me, by repeatedly using men with guns to terrorize me, regarding my good-standing driver's license, that these criminals tried to sabotage. Now, due to the non-stopping of this no authority driver license suspension program, the crimes and schemes have escalated to: creating a delusion of law tax warrant with no signature, no name and no authority to seize one's license and bank accounts, coupled with 3 no probable cause police stops, false police report writing, usage of defective police devices for false police instrument filing, disregard of no probable cause evidence, repeated false failure to answer summons claims on my exemplar driver record, all for criminally and deadly schemed, false fine and fee creations for more false warrants and plotted false arrest, for Boyden Gray PLLC's label dead, while alive satanic killing rituals.

This killing program, enjoining, men with guns, to false arrest, body-snatch, and bring healthy and good-standing drivers, to Boyden Gray PLLC law front's schemed eugenic program is beyond inhumane, deadly and must be shut down. It is the criminal use of the law and delusions of law, to kidnap healthy people, to bring them to eugenicists for label dead, while alive, human sacrifice and satanic ritual killings. This killing program is being criminally administered with a discriminatory impact. This criminal scheme to defraud, discriminatory, good-standing driver license suspension program, name aligned to a regional killing law front, operating with no tax claim validation, fake NYS tax warrants, no affidavit anywhere, no lawful evidence anywhere, no probable cause police stops, deceptive police device usage, false police ticket writing, NYS DMV judicial trespasses disregard of all my evidence, for false fines and fees, for false warrant writing, for false arrest, is the criminal and deadly use of police and police impostures, for schemed, programmed and plotted, body snatching and kidnapping, for Boyden Gray PLLC law front's, label dead, while alive, human sacrifice and satanic ritual killings.

This deadly NYS criminal and discriminatory advertised, license suspension program, is criminally using the police as conspirators/partners in these Boyden Gray PLLC law front's conspiracy to murder, no authority and discriminatory, driver license suspension schemed programs.

For the Boyden Gray PLLC human sacrifice and satanic ritual killings to take place, healthy people must be induced hospitalized and or institutionalized, and that is the purpose of the advertised, yet not stopped, Boyden Gray PLLC, name aligned, Discriminatory Driver License Suspension Scheme Program. Please see this sick and deadly Boyden Gray PLLC name aligned, Discriminatory Driver License Suspension Schemes, advertisement below. This programmed eugenic killing program requires a civil rights and criminal justice commission to see how many people were: victimized via stolen money and property, due to the refusal to validate the alleged tax claims, how many people induced impoverished, false arrested, labeled dead, while alive, made into a hospital labeled antemortem and or undead creation, placed in an anteroom, tortured and killed by this deadly schemed, label dead, while alive, human sacrifice and satanic ritual killing program.

The only reason for this sexist, racist, dreadful, and deadly, criminal police, DMV, and Tax enjoinder driver license suspension program is for label dead, while alive, human sacrifice killings. This program was designed to kill innocent people under the satanic ritual called SLAUGHTER OF THE INNOCENT. There is no other reason for this sinister, advertised, no evidence anywhere, and not stopped yet, discriminatory driver license suspension killing program.

Please note, these Boyden Gray PLLC eugenicists, had my healthy sister, induced hospitalized, labeled dead, while alive, and criminally made into a human sacrifice satanic ritual killing. Her labeled dead, while alive body, is currently, criminally listed with the Boyden Gray PLLC law front's satanic ritual body broker laboratory, noted above and on page 27 here:

I seek investigations and answers as to why is her body listed with the body broker laboratory on page 27 in the above link. Why was her identifying information put in that body broker data base? Is she cloned? Are her frozen live body organs and parts being sold via this deadly and unauthorized body broker database? Was her hospital snatched body deceitfully added to the unauthorized and no authority body broker data base as a whole-body donation, that was never consented to? Who put her identifying information in the data base?

I seek full investigations as to what is the purpose of the below linked body broker database. Under what authority is this body broker data base operating? It is not constitutional, so under what authority does it exist? Who supervises the database and the laboratories associated with the body broker database? What are in the laboratories? What are the identifiers? Who puts in the identifiers? What is the procedure for body broker database inclusion? How many Covid victims are in this label dead, while alive body broker investor database at:

<https://brokercheck.finra.org/search/genericsearch/grid>

Please note, my healthy father was criminally put into a coma, labeled dead, while alive, via the criminal, not stopped, antemortem creator, the Boyden Gray PLLC NYS counterfeit respirator. This defective device and counterfeit respirator is planted in NYS ambulances and fire departments, with the specific criminal, counterfeit, and defective purpose of labeling healthy people with healthy organs dead, while alive. Please see this NYS undead/antemortem creator and counterfeit respiratory weapon here:

<https://www.forevermissed.com/mazarine-levy-snyder/stories#|gallery|photo|1480963>. I seek investigations and the reason for the creation of this label dead, while alive weapon. I seek the stoppage and extermination of this counterfeit respirator weapon, coupled with murder penalty enforcement for users of this weapon and the creators of such.

Please note, my healthy mother was criminally labeled dead, while alive, too. However, all praises to the Most-High God, she is not in the Boyden Gray PLLC law front's body broker database. Please see her criminally labeled dead, while alive in the hospital, in the link below. I took pictures because I was rushed out of the hospital under the master deception that she was dead and the pictures I took show she was alive. The hospital criminally forced me out under their label dead, while alive human sacrifice programming, but God took my mother, before they could get her live organs and that is why she is not in the deadly and criminal, satanic ritual, temporary wealth plan, body broker database. Please see my mother labeled dead, while alive, at pages 9-11 here:

<https://www.forevermissed.com/lst/m/a/mazarine-levy-snyder/d/2820542.pdf>.

My mother was criminally induced hospitalized via Boyden Gray PLLC law front's name aligned directed energy weapons summarized in the box on page 54 at:

Before the C. Boyden Gray PLLC law front criminals induce hospitalized my healthy mother and had her labeled dead, while alive, in the hospital, the Boyden Gray PLLC law front criminals tortured her with the same apartment vandalisms, repeated and malicious, elevator disablement, and induced flooding crimes, being inflicted on me. In the below link, please see the law suit I filed, but all equal protection of the law, laws and evidence, were disregarded, because this is a murder program, that must be exterminated off this earth.

I filed the below linked lawsuit seeking to stop the Boyden Gray PLLC name aligned apartment terrorizations, boiler/water flooding sabotage and attempted murder inflictions on my mother and I. Because the courts were disabled, via use of Boyden Gray PLLC law front's, name aligned, judicial actors and judicial conspiracy against rights, the Boyden Gray PLLC law front's criminal usurpations, organized torture, denied equal protection of the law, apartment vandalism, property damage, and domestic terrorization crimes inflicted on my elder mother, are being repeated and inflicted on me. My mother was criminally labeled, dead, while alive and she was never compensated for the injuries and damages Boyden Gray PLLC law front criminals inflicted on her. She was victimized by the Boyden Gray PLLC criminal law front's repeated, NYS judicial criminal usurpations and the criminal use of the judiciary for programmed judicial conspiracy against rights, rooted in Boyden Gray PLLC's name aligned, betray the Constitution treason crime enforcement, all for Boyden Gray PLLC well-funded programming's for label dead, while alive, undead/antemortem creations, for their satanic cult's human sacrifice satanic ritual killings.

I will not be Boyden Gray PLLC law front's discriminatory driver license suspension schemed, false arrested, body snatched and kidnapped, label dead, while alive, human sacrifice satanic ritual killing and body broker satanic ritual data base listing.

To this end, I seek investigations, regarding the below over 10 years, usage, of the no authority, no name, no affidavit, NYS counterfeit tax warrant, to suspend my good-standing driver license, while no authority exists. I seek the removal of every criminal, attempted murder, and unauthorized, multiple, malicious, racist, and sexist, driver license suspensions off my good-standing driver record. I seek compensation and crime victim assistance for the over 10 years, of no authority, malicious, retaliatory, seizure of my liberty right to safe travel. See some of the damages inflicted and entitled remedy settlements appraisals on pages 26-32 at:

I seek penalty enforcement for all conspiracy to murder and organized fraud crimes the criminals, Mark Schroeder and Amanda Hiller, have inflicted on me, for over 10 years, for each crime cited below, stemming with this organized fraud, attempted murder program, administered as the advertised Boyden Gray PLLC Discriminatory Driver License Suspension Scheme program.

I seek investigations into the constitutional authority of the below documented and schemed, Fund for Modern Court, particularly their attached fine, fees and jail time murder schemes, all part of this Boyden Gray PLLC criminal driver license suspension and kill program.

I seek investigations into why my good-standing driver's license has criminal notations stating failure to pay taxes, when Amanda Hiller, has for over 10 years, failed, refused, has not and cannot validate her malicious, fraud based, non-existent, and retaliatory, tax claims.

For over 10 years, she has continued her fraudulent and non-validated, despite demands for validations, tax collection terrorization, while refusing to validate her tax allegations. In doing such, she has further violated state and federal consumer protection laws, and such further substantiates her need for penalty enforcement for using the NYS Tax Commissioner office for Conspiracy to Murder and Conspiracy against rights crimes. Amanda Hiller and Mark Schroeder have used the NYS Tax and DMV agencies for the administration of 10 USC Section 333 Interference with State and Federal Law, COINTELPRO, and have obstructed state and federal consumer protection FDCPA and Constitutional due process validation laws, to attempt to have me killed, to induce poverty for easy eugenic assassination creations, for raeteering and money laundering, and have used false legal documents for syphoning money out of bank accounts, seizing liberty and property rights and more.

Amanda Hiller, Mark Schroeder, and Boyden Gray PLLC law front criminals have criminally administered 10 USC §333 Interference with State and Federal law via their name aligned, conspiracy against rights, advertised below and not stopped yet, discriminatory driver license suspension scheme and kill programs. These Boyden Gray PLLC law front's mentored discriminatory driver license suspension scheme and kill programs hinder the execution of the Constitutional due process laws of New York State, and of the United States. The deadly sexist, and racist, driver license suspension scheme programs have criminally used the law to create classes of people with deprived rights, privileges, immunities, and protections named in the Constitution and secured by law. Such has been done with a discriminatory impact.

These multifaceted, deadly sexist, and racist, NYS driver license suspension scheme programs have used the above noted constituted authorities of NY State, more specific, Amanda Hiller and Mark Schroeder, to willfully fail and refuse to protect the rights, privileges, and immunities, or to give that protection due New Yorkers, particularly good-standing drivers.

This Boyden Gray PLLC name aligned, deadly, sexist, and racist, driver license suspension scheme and label dead, while alive, human sacrifice killing program, opposes and obstructs the execution of the laws of the United States and impedes the course of justice under those laws.

Pursuant to 10 USC 333: Interference with State and Federal law, in any situation covered by the laws and the disregard of the crimes noted above, the State shall be considered to have denied the equal protection of the laws secured by the Constitution.

Hence, I seek remedies for damages inflicted, in this over 10 years attempted murder program. I seek investigations regarding why my good-standing driver's license has criminal notations stating failure to answer summons, when attached you will see the USPS certified mail receipt for the answered summons and the link to the answered summons motion to dismiss, all disregarded by the NYS DMV, under Mark Schroeder's use of the DMV organized fraud records, for assassination programming of me, for over 10 years. I seek the immediate removal of this organized fraud off my good-standing driver record. I seek equal protection of the law crime victim protection. I seek the removal of and penalty enforcement for, Mark Schroeder's key conspirator to murder role in this Boyden Gray PLLC name aligned conspiracy to murder program, criminally administered as the advertised and not stopped yet, Discriminatory driver license suspension scheme program.

I seek the incarceration of each party that conspired and placed the attached no evidence anywhere, no authority anywhere, and no affidavit anywhere, wrongful conviction for two, malicious, deceptive, and false police report traffic tickets, created for the false fines, fees, and jail time institutionalization schemes, for label dead, while alive, human sacrifice satanic ritual killings, organized via the unconstitutional Fund for Modern Courts, created out of the sky for killing, entity.

I seek investigations as to how many people are being injured, harmed, induced hospitalized or institutionalized, killed, and placed in the above noted body broker data base, using these deadly, Boyden Gray PLLC name aligned discriminatory driver license suspension schemes to kill program via the slaughter of the innocent satanic rituals noted. I seek a reason why the attached advertised Boyden Gray PLLC driver license suspension attempted murder crimes have been allowed to be inflicted on me for over 10 years, in retaliation to and while I have written several affidavits, documenting Boyden Gray PLLC name aligned, global regional eugenic killings, all having a USA and Africa discriminatory impact. Please see some of the Boyden Gray PLLC name aligned regional killings attached and on pages 84-90, and 107 -139 at:

Please note, due to these multiple Boyden Gray PLLC law front led, repeated attempted murder programming's, inflicted on me, I am well versed in law and filing lawsuits at the state and federal levels. The Boyden Gray PLLC law front eugenacists have placed judicial actors, judicial conspiracy against rights corrupted judges, and name aligned Boyden Gray federal judges, to deny me equal protection of the law, in the courts.

Consequently, I must appeal to the above officials, as the NYS and federal courts have been used, repeatedly for Boyden Gray PLLC law front's attempted murder, induce poverty for easy assassination programming, disregard of evidence, neglect and reject constitutional law protections against these crimes, obstruction of state and federal FDCPA and other consumer protection laws, and denied equal protection of law. All the below documented and linked, inflicted judicial conspiracies against rights, were inflicted on me, as major schemes in the Boyden Gray PLLC law front mentored, plotted, and programmed, criminal police enjoinder for false arrest, body snatch and kidnap, label dead, while alive, human sacrifice, satanic ritual killing programs, implemented, advertised, yet not stopped, under the Boyden Gray PLLC discriminatory driver license suspension scheme to kill programs.

All the below documented judicial crimes were administered, to facilitate the current, over 10 year attempted murder of me, via the Boyden Gray PLLC label dead, while alive, human sacrifice satanic ritual kill programs. Please see the below attached many lawsuits filed to stop this over 10 year good-standing driver license suspension attempted murder program, specializing in evidence suppression, denied constitutional law protections, judicial disregard of debt validation laws and false legal documents and repeated denied equal protection of the law by judicial trespasses. Discriminatory Driver's License Suspension Schemes

Danielle Conley and Ariel Levinson-Waldman

"The story of license suspensions . . . reveals both the extent of the injury governments are willing to inflict on low-income people in order to balance their books and the results that advocacy can achieve to reduce the damage." – Peter Edelman¹

More than seven million Americans have lost their driver's licenses for nonpayment of a ticket or fine.² For many lower-income community members in 21st century America, a driver's license is critical for everyday life tasks like getting to work, childcare or a child's school, doctor's appointments (especially vital for senior citizens), and transporting heavy groceries. Most people who are not able to afford to pay their fines, therefore, just keep driving.³ When a

the City's **focus on revenue rather than by public safety needs**,⁴ targeted African-American citizens and especially harmed "those living in or near poverty."⁶⁸ It also explained that **these practices raised "significant due process and equal protection concerns."**⁶⁹ In doing so, the Department identified practices that required immediate attention and also suggested a blueprint for challenging those practices in court. Lawsuits are now pending in Alabama, California, Michigan, Montana, Pennsylvania, North Carolina, Oregon, Tennessee, and Virginia.⁷⁰ The challenged state practices differ somewhat, but what they **all have in common is that they either automatically suspend a person's license or otherwise fail to consider a person's ability to pay the fines or fees that trigger suspension.** Four legal theories, all of which share common nuclei in the **Constitution's equal protection and due process clauses, underlie these challenges.**⁷¹ Two of these theories are familiar to most lawyers: **procedural and substantive due process**.

procedural and substantive due process. The remaining two theories draw from longstanding but less familiar Supreme Court precedent limiting the state's power both to punish individuals for being unable to pay government-owed debt and to **employ unduly harsh methods when attempting to collect that debt**; these overlapping claims are often referred to by the key decisions in the case line: *Bearden v. Georgia*⁷² and *James v. Strange*.⁷³ The following sections provide an overview of these claims, focusing on five cases pending in federal district court, none of which have yet to be addressed on the merits in an opinion by a federal appellate court: *Fowler v. Johnson* in the Eastern District of Michigan; *Stinnie v. Holcomb*, in the Western District of Virginia; *Robinson v. Purkey* and its companion case, *Thomas v. Haslam*, in the Middle District of Tennessee; and *Mendoza v. Garrett*, in the District of Oregon..

The unconstitutional and false police tickets are false and unconstitutional, because there was no probable cause and affidavit supporting the harassment police stop. Furthermore, I, MIRIAM SNYDER, submit this motion to dismiss for the reasons set forth in this Motion, affidavit and the exhibits.</p> <p>This case is about repeated random police harassment stops of motorist Miriam Snyder in the absence of specific articulable facts which justify the police stops by indicating a reasonable suspicion that a violation of the law has occurred. This case shows criminal police management, in the criminal setting up of police officers to stop motorists to harass and intimidate, as well as invoke constitutionally impermissible NYPD police practices, that are violative of the Fourth and Fourteenth Amendments to the United States of America Constitution.</p>

MAILED IN MOTION TO DISMISS SHOWING NO PROBABLE CAUSE FOR POLICE TICKETS, IGNORED BY NO JUDGE NAME.

US CONSTITUTION: 4TH, 5TH AND 14TH AMENDMENTS NO PROBABLE CAUSE

The Fourth Amendment of the United States Constitution

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

TAGS:

The Fifth and Fourteenth Amendments of the United States Constitution limit the power of the federal and state governments to discriminate.

The Fifth Amendment has an explicit requirement that the Federal Government not deprive individuals of "life, liberty, or property," without due process of the law and an implicit guarantee that each person receive equal protection of the laws.

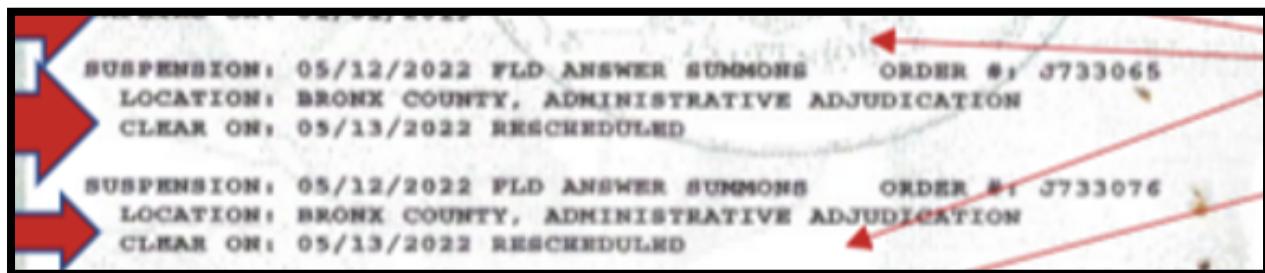

The Fourteenth Amendment explicitly prohibits states from violating an individual's rights of due process and equal protection. Equal protection limits the State and Federal governments' power to discriminate in their employment practices by treating employees, former employees, or job applicants unequally because of membership in a group, like a race, religion or sex. Due process protection requires that employees have a fair procedural process before they are terminated if the termination is related to a "liberty," like the right to free speech, or a property interest.

What violates the 4th Amendment?

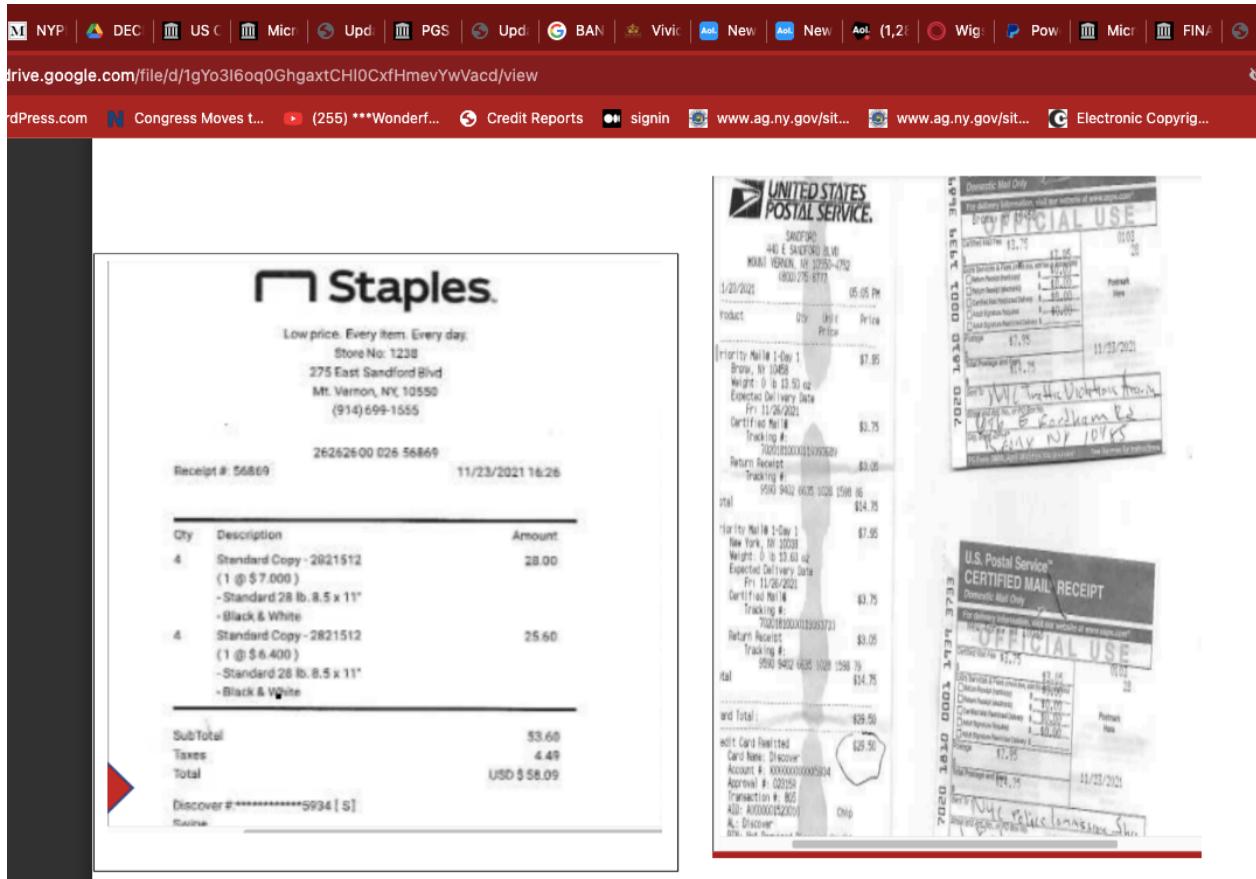

For example: An arrest is found to violate the Fourth Amendment because it was not supported by probable cause or a valid warrant. Any evidence obtained through that unlawful arrest, such as a confession, will be kept out of the case

5G Health Risks: How Much Exposure Can Humans Withstand?

<https://childrenshealthdefense.org/defender/5g-emf-radiofrequency-radiation-health-risks-exposure-humans-cola/>

Story at a glance:

- 5G relies primarily on the bandwidth of the millimeter wave, known to cause a painful burning sensation. It's also been linked to eye and **heart problems, suppressed immune function, genetic damage and fertility problems.**
- The Federal Communications Commission (FCC) admits no 5G safety studies have been conducted or funded by the agency or telecom industry, and that none are planned.
- The FCC has been captured by the telecom industry, which in turn has perfected the disinformation strategies employed by the tobacco industry before it.
- Persistent exposures to microwave frequencies like those from cellphones can cause **mitochondrial dysfunction and nuclear DNA damage from free radicals produced from peroxynitrite.**
- Excessive exposures to cellphones and Wi-Fi networks have been linked to chronic diseases such as **cardiac arrhythmias, anxiety, depression, autism, Alzheimer's and infertility.**

5G is dangerous and will harm every living being. Thousands of studies link low-level wireless radio frequency radiation exposures to a long list of adverse biological effects, including:

DNA single and double strand breaks
oxidative damage
disruption of cell metabolism
increased blood brain barrier permeability
melatonin reduction
disruption to brain glucose metabolism
generation of stress proteins

Let's not also forget that in 2011 the World Health Organization (WHO) classified radio frequency radiation as a possible 2B carcinogen.

More recently the \$25 million National Toxicology Program concluded that radio frequency radiation of the type currently used by cell phones can cause cancer.

Abstract

OBJECTIVE Recent studies have drawn attention to the **adverse effects of ambient air pollutants such as particulate matter 2.5 (PM2.5) on human health. We evaluated the association between PM2.5 exposure and diabetes prevalence** in the U.S. and explored factors that may influence this relationship.

RESEARCH DESIGN AND METHODS The relationship between PM2.5 levels and diagnosed diabetes prevalence in the U.S. was assessed by multivariate regression models at the county level using data obtained from both the Centers for Disease Control and Prevention (CDC) and U.S. Environmental Protection Agency (EPA) for years 2004 and 2005. Covariates including obesity rates, population density, ethnicity, income, education, and health insurance were collected from the U.S. Census Bureau and the CDC.

RESULTS Diabetes prevalence increases with increasing PM2.5 concentrations, with a 1% increase in diabetes prevalence seen with a 10 $\mu\text{g}/\text{m}^3$ increase in PM2.5 exposure (2004: $\beta = 0.77$ [95% CI 0.39–1.25], $P < 0.001$; 2005: $\beta = 0.81$ [0.48–1.07], $P < 0.001$). This finding was confirmed for each study year in both univariate and multivariate models. The relationship remained consistent and significant when different estimates of PM2.5 exposure were used.
